The blue trail signs have letter designations for intersections. The orange single-track trails have number designations, offering several ways to locate your position on the map. We encourage you to take a map along every time you use these trails. Enjoy!

The Rangley Lakes Trails Center (RLTC), operated and maintained by the Rangley Lakes Cross Country Ski Club, Inc., a 501(c)(3) organization, is an extensive network of trails on lower Saddleback Mountain in the Rangley Lakes Region of Maine dedicated to non-motorized, year-round sport and recreational use for all who properly access its trails and facilities. The RLTC promotes a heightened level of health, wellness, and environmental appreciation for its users through trail-based physical activity, education, and outreach programs.
